This kit includes elements which can be used to assemble a station shelter based on a GWR design.

For more instruction go to manual which you can download form our website www.lcut.co.uk

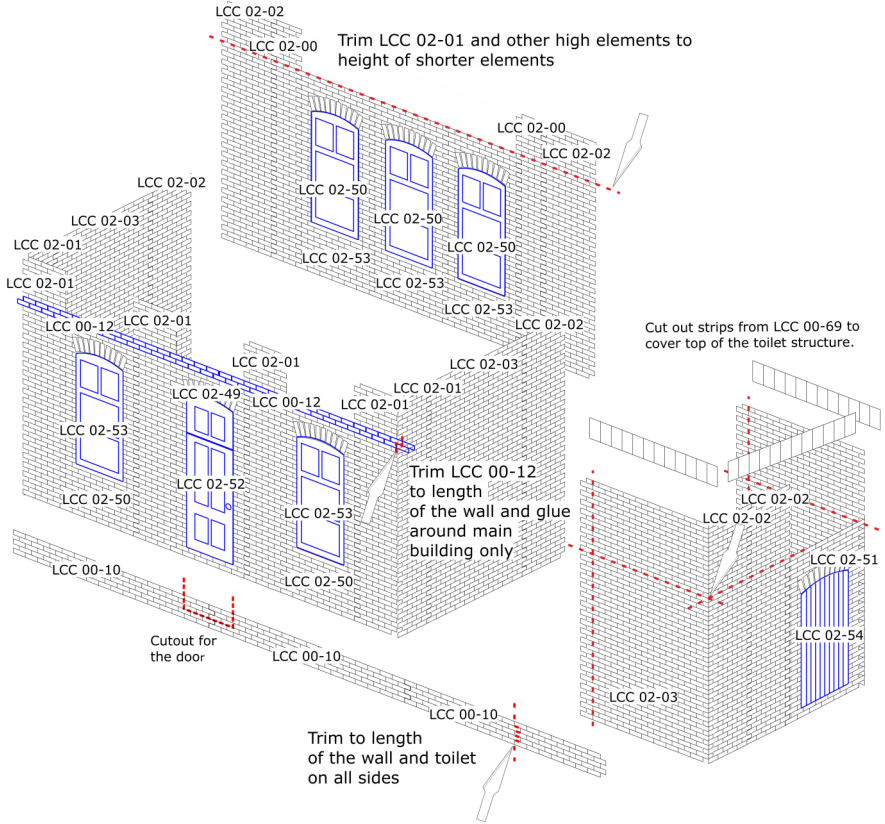

All drawings are not in scale.

LCC Modelling System is flexible and you can make easy modification. Please visit our website at www.lcut.co.uk to shop for additional LCC elements.

! We recommend PVA or any other paper/wood glue.

SHELTER AND TOILET

CANOPY

Construct the canopy from LCC 00-75 and LCC 00-75. The notches in supports and side valance should meet with the LCC 00-12 decoration strips on the main shelter building.
