

LCC Modelling System

B 70-05 Station canopy type 1 for buildings up to
400 mm long

Bundle contains:

- 2x LCC 70-34
- 2x LCC 70-35
- 1x LCC 70-36
- 2x LCC 70-37
- 2x LCC 70-39

Attention — same elements of canopy will need to be cut to size. For further instruction go to manual which you can download from our website www.lcut.co.uk

All drawings are not in scale.

LCC Modelling System is flexible and you can make easy modification. Please visit our website at www.lcut.co.uk to shop for additional LCC elements.

We recommend PVA or any other paper/wood glue for the fibre board parts.

Painting recommendation:

We recommend using acrylic paints. There is no need to undercoat the surface but it can be done if desired. The material used is porous and relatively forgiving, heavy coats are unlikely to flood the brickwork.
